Dear Prospective Colleague,

Thank you for considering this role.

The North Lambeth Parish is very special in a whole number of ways.

You will notice that the words 'vibrant' and 'diverse' feature frequently in the parish profile and that is no exaggeration.

The parish has been well-led by an excellent vicar for the last 20 or so years and, with the development just ready to go, it is on the cusp of an exciting new stage.

There is talented and committed laity and inspiring and able clergy across the team, including a cutting-edge eco-church.

If you can provide energetic and compassionate leadership, are comfortable relating across the Church traditions, are as at home in the local Church of England primary school as connecting with older people, enjoy a lively Sunday morning, and have a talent for drawing those on the margins into the life of the Church, then this might just be the role for you.

Please pray about it and get in touch if you'd like an informal conversation.

Yours,

+ Martin

Rt Revd Dr Martin Gainsborough, Bishop of Kingston
