

*St Peter's Church, Petersfield*

## **Full Time Children and Families Leader**

*A church at the heart of the town wants to put children and families at the heart of the church.*

We're excited to have been awarded funding for a **three year full time post** to build on our ministry to children and families. Starting from our thriving toddler group, our Junior Church and all age worship, and our relationships with local schools and groups, this post has two parts:

to work with the Vicar and ministry team of St Peter's to transform the  
ministry to children and families in Petersfield  
*and*

to work with clergy, staff and volunteers across the parishes of Petersfield Deanery to support and  
develop their ministry to children and families.

***Could you be the person to lead, inspire and champion the Church's ministry to children and families across a wide area?***

A role description and application form are available from
