**Vicar of Holy Trinity Church, Boston
Diocese of Lincoln**

Thank you very much for downloading details of this post. I have pleasure in attaching a copy of our person specification and application form and any other relevant documents.

Please complete the application form. Please be aware that our form does differ slightly from the standard Church of England application form for parochial posts. There is a lot of guidance outlined within the form, so do take time to read the small print!

If you decide that it is right for you to apply for this post, return the completed form to Emma Camm – the Diocesan Clergy HR, Appointments & Designated Officer (emma.camm@lincoln.anglican.org), outlining what attracts you to this post in the person specification within it. Do pay particular attention to how your gifts and experiences match the needs of the Parish as outlined in the profile.

If sending in your application as a PDF, please send sections 1 - 8 separately to section 9, the confidential information.

If you are appointed to this post, you will be required to complete a DBS form so that a check at enhanced level can be made with the Disclosure and Barring Service.

If you would like to discuss the profile further, or any of the background issues, please do not hesitate to contact me at holytrinitybostonpatrons@gmail.com to arrange a telephone conversation if needed.

Yours sincerely

Tony Coe
Secretary to the Patrons
