St Mary Magdalen
BERMONDSEY

January 2025

We are delighted that you are interested in joining our mission of our three parishes in the Bermondsey Group Ministry to families, children and schools. We are offering two connected roles that together form a full-time job with a combined salary of £34,360 per annum. The roles are being advertised and recruited together in the faithful expectation of innovative, joined up children, schools and families work across our parishes.

FLOURISH Children and Families Minister - St James' CofE Primary School with St James' Church Working with primary school children to create a new worshipping community outside structured lesson times for children and their families. This is one of 40 FLOURISH projects across the country funded by the National Society (Education).

Children and Families Worker - St Mary Magdalen, Bermondsey Street Developing children and families ministry through St Mary's church on Bermondsey Street, including parent and toddler groups, messy church, schools outreach, holiday clubs, Sunday schools and more.

God has historically done great things in Bermondsey, and we expect Him to do much more. The Bermondsey Group Ministry is formed of the churches of St Mary Magdalen, St James and St Anne, together with the Salmon Youth Centre (formerly the Cambridge University Mission). We are excited to see opportunities for more children and young people in our parishes to come to know the love of God and His calling on their lives.

We're looking for energetic, inspiring, God-loving people to apply for these roles. We would love to recruit the same person to both roles, but we also welcome applications for one role only. If you would like an informal discussion about one or both these roles please feel free to contact Rev'd Katie Kelly about the FLOURISH Minister role (revkatiekelly@gmail.com) or Rev'd Peter Welby about the St Mary Magdalen role (pw@portaladvisory.com).

Please apply through Church of England Pathways [Church Of England Vacancies - Bermondsey Group Ministry FLOURISH Minister and Children & Families Worker \(Full Time or Part Time\)](#) by Monday 3rd February 2025. Interviews will be held in Bermondsey on 11/12 February.

Yours Sincerely

Rev'd Katie Kelly
Vicar of St James

Rev'd Charlie Moore
Rector of St Mary Magdalen
